Manage

**Clicking the Manage
Button will take the user to
Another layout displaying a
Table of the Plasterers and ways to
Search the table. If you click the Sort By
Town/City or County Buttons then the table updates
To show the table sorted by your chosen option.
If the user enters a search query in the search field and presses enter
Or clicks go then the table updates with relevant information relating
To that specific search term. Clicking a row in the table will let you modify the data
For that specific plasterer and delete the plasterer etc.**
